

## VACANCY POSITION

### Background

The Rwanda Youth in Agribusiness Forum (RYAF) is a nationwide platform whose purpose is to change the current perception among the youths vis-à-vis the agriculture sector in Rwanda, while orienting them to seize investment opportunities through awareness creation, skills development, and advocacy support services. The idea is to create a critical mass of change agents to influence transformation of agricultural business landscape with courage, determination and positive attitude.

### TERMS OF REFERENCE

The RYAF (through young graduates) under an MoU with RAB to implement Sustainable Agricultural Intensification and Food Security Project (SAIP) is responsible for providing technical know-how and support in the increase of agriculture productivity specifically in horticulture crops, market access, and food security within SHG and Cooperatives supported by SAIP Project and also to improve nutrition.

The project is being implemented in 8 Districts namely: **Gatsibo, Rwamagana** and **Kayonza** in the Eastern Province, **Karongi, Rutsiro** and **Nyabihu** in the Western Province, **Nyanza** in the Southern Province and **Rulindo** in Northern Province.

It is with this background that RYAF is looking a highly motivated young individual that will collaborates with the local community to rapidly improve technical and managerial aspects of nutritions
